**NOTES FOR EDITORS:**

Home Training CIC is a new type of 'third sector' organisation: a not-for-profit Community Interest Company. Based in Southgate, London N14, but delivering its courses nationally through internet 'e-learning', Home Training CIC offers a unique learning combination of 24/7 flexibility and convenience, with one-to-one mentoring and support where needed. Learners choose from over 360 work-related online courses – including a City and Guilds modular ITQ (level 2) course – and all receive a FREE fully-supported laptop computer.

For more information about Home Training CIC, call 0844-888-7640 or email [info@htcic.org](mailto:info@htcic.org)

Future Jobs Fund from the Department of Work and Pensions (DWP) is part of a new Government initiative to create work-experience opportunities for young adults under the Young Person's Guarantee. Operated in conjunction with Job Centre Plus (JCP), Future Jobs Fund contract-holders seek to identify fully-funded 26-week placements with local employers. In the case of Home Training CIC, successful Future Jobs Fund candidates will also benefit from access to work-related e-learning and a FREE laptop computer, as well as the support of a qualified life-coach and learning mentor.

**NEETs** – young adults that are Not in Education, Employment or Training – are the focus of the Home Training CIC Future Jobs Fund contract. Any interested persons, aged 18 or above that have been out of work and claiming Job Seekers Allowance (JSA) for 13wks or more and are prepared to commit to completing a 26wk programme, should contact their local Job Centre Plus and ask about Future Jobs Fund eligibility and opportunities through Home Training CIC.

For more information about applying through Job Centre Plus for a Home Training CIC Future Jobs Fund opportunity, contact your local JCP or visit <http://www.jobcentreplus.gov.uk/JCP/index.html>

Employers interested in offering 26-week placements through the fully-funded and supported Future Jobs Fund programme from Home Training CIC are encouraged to contact the company by calling 0844-888-7640, or by emailing [b.burden@htcic.org](mailto:b.burden@htcic.org)
